#### GOSSIP OF WALL STREET.

It was expected that the full foreign trade ELNI ACRI FOR NATIONALIZA- The statistics of foreign commerce at the port of New York and the figures of exports of agricultural products had both led to that belief. But no one was preliterstate Commerce Commission Chair- pared for such a highly favorable return man Sounds This Warning, but He- as was contained in the official bulletin made public before the opening of the mar ket yesterday. It was principally from these figures that the rally which set in on Monday derived its principal impetus Particularly surprising was the fact that October exports exceeded those of any previous month in the country's history secretion of Railway Commissioners and it was also gratifying that concurrence are concurrence and it was also gratifying that concurrence are concurrence and it was also gratifying that concurrence are concurrence and it was also gratify the concurrence and it was also gratify the concurrence and the concurrence are concurrence are concurrence and the concurrence are compassioners did not cooperate to give imports decreased, with the result that ex percent the public from had practices on the part of the carriers there would be a favor exceeded that of last October by \$11,000,000. In most previous months of \$11,000,000. In most previous months of \$11,000,000. arroads and other public service corthe year comparison with the correspond-

Favorable as was the October foreign demoralizing practices had been out-nent applies to previous months of the year, in all of them, thanks to the reforms the chairman said that the attitude of in the administration of the customs derailroad managers toward regulation partment, imports which formerly escaped duty and accordingly entry in the Governhad changed within the last twenty years from one of defiance and derision to that of acceptance as a public necessity. The chairman said that in the last twenty vears railroad mileage in this country had inevitable that this increased vigilance on the part of the customs authorities should make the Government figures of imports from \$11,000,000 to \$285,000,000 a year.

Twenty States were represented at the opening session of the National Association is impossible, it is reasonable to suption, which is holding its annual conven- pose that imports have actually been no tion here Chairman K napp delivered greater than last year, for reactionary business has tended to produce curtailment in the purchase of foreign articles of luxury

Figures of foreign trade at the port of State Public Service Com mission, in his New York for last week showed a decrease annual address advoc ated uniform State in exports from the previous week and the laws for the regulation of intra-State bear traders argued that the improvement in the country's trade had spent its force. The argument failed to take into consideration the fact that last week on account and express rates," said Mr. Decker, of the election holiday was a short business

On Monday the Street teemed with reports that efforts were being made to list on the Paris Bourse Union Pacific and other stocks under the control of some of the leaders of the market. Yesterday it was said that "If our present express system conit had been decided to get the stocke listed
in Frankfort instead. It was taken for
the public interests the system to that extent should be revised. If the whole net fail of success.

The first sale of the 6 per cent, bonds of the Smelters Securities Company, when issued was made vesterday on the curb at 1031 Subsequently a block went at 104. were the only transactions Particular of issue of the bonds provide that they are convertible into the common stock of the American Smelting and Refining Company whenever the bonds sell at or above par It was wondered if sales on the curb, when Yesterday, so to speak, the rebate and issued, complied with this provision of the · indenture

while the carriers assert need of given rates to meet increased costs of evention, the putting of high rates in them 4 points above Monday's price. It was persistently reported that at a meeting Lehigh Valley stock in the Philadelphia ers pending authoritative inquiry into of the directors to-day there would be propriety of such rate advances.

Who may say that to-morrow we shall put in practice through Government percent and cooperation, sought by credence because the last annual report of the company showed the entire a of the company to pay the extra dividend.

Two or three Chicago bankers were reported as saying that the demand for funds for crop moving had abated. The daily Sub-Treasury statement tended to cor-roborate the assertion. It showed that the banks had gained \$800,000 since Friday whereas in the corresponding periods of recent weeks they had lost heavily. The prevailing rate for call funds was a shade lower than on Monday, and time money was in abundant supply, with a slightly ensier tone for the longer maturities. Abroad Moon rises 4:39 the monetary item of principal interest was the strengthening of the Bank of England 6-22 Gov Island 6-34 Hell Gate A 47 By \$5.500,000 gold in addition to the \$7.500,000 secured in the open market on Monday

Following the example of most of the rail oads in the States, which up to this year declared dividends semi-annually canadian Pacific has established a polic of quarterly payments. The first quarterly dividend was declared yesterday at the -ame annual rate as in August, when the

#### NEW PITTSBURG STEEL STOCK. \$7,000,000 7 Per Cent. Preferred Taken by Speyer & Co.

The Pittsburg Steel Company has sold to Speyer & Co \$7,000,000 of 7 per cent. cumulative preferred stock. The company proposes to retire its \$3,750,000 bonds on January 1, 1911, and for this end, and to get more working capital and funds for the application of further economies in manufacture, will increase its capital stock by \$8,000,000, \$7,000,000 new 7 per cent, cumulative preferred and \$1,0000,000 additional common. common has already been subscribed for by the present owners of the property.

Application is to be made to have the new preferred listed on the New York Stock Exchange. A large amount of it has been placed with investors and init has been placed with investors and in-stitutions both here and in Europe by Spever & Co. Present bondholders may exchange their bonds, which are called for repayment on January 1, 1911, for the new preferred stock at the Union Trust Company. Pittsburg.

The stock will be a first charge on the company's net earnings, which have for the last five years averaged \$1,400,000, or about three times the annual dividend on the \$7,000,000 7 per cent. preferred to

or about three times the annual dividend on the \$7,000,000 7 per cent. preferred to be issued. The company's common has paid 8 per cent. for the last six years.

The board of directors, which will be increased to nine, will include William H. Nichols, chairman of the General Chemical Company of New York.; William A. Nash, president of the Cotn Exchange Bank of New York, and Henry Ruhlender of Speyor & Co.

of Speyor & Co.

Owing to the number of applications received here and abroad Speyer & Co.
have been compelled to reduce somewhat syndicate participations in the new stock

1. S. Express Net Earnings Smaller. The United States Express Company issued yeaterday its report for the year ended June 30, 1910. Gross carnings were ended June 30, 1910. Gross ca Things we-\$17,680,226, as compared with \$16,851,864 last year. Expenses stood at \$17,232,295, against \$16,600,160. Net carnings were \$448,031, which compared with \$451,794 in 1909. Final net income for the year was \$795,890, which is equal to 7.96 per was \$795,890, which is equal to 7.96 per was \$795,890, which is equal to 7.96 per cent on the \$10,000,000 capital stock, as dividends, while only \$400,000 was paid in 1909, leaving this year's surplus of \$195,890 smaller by \$297,145 than that for the pre-
